

## **RELAX SENATOR HELMS, THE ART WORLD IS YOUR KIND OF PLACE!**

- The number of blacks at an art opening is about the same as at one of your garden parties.
- Many museum trustees are at least as conservative as Ronald Lauder.
- Because aesthetic quality stands above all, there's never been a need for Affirmative Action in museums or galleries.
- Most art collectors, like most successful artists, are white males.
- Women artists have their place. After all, they earn less than 1/3 of what male artists earn.
- Museums are separate but equal. No female black painter or sculptor has been in a Whitney Biennial since 1973. Instead, they can show at the Studio Museum in Harlem or the Women's Museum in Washington.
- Since most women artists don't make a living from their work and there's no maternity leave or childcare in the art world, they rarely choose both career and motherhood.
- The sexual imagery in most respected works of art is the expression of wholesome heterosexual males.
- Unsullied by government interference, art is one of the last unregulated markets. Why, there isn't even any self-regulation!
- The majority of exposed penises in major museums belong to the Baby Jesus.
