

Basic Detail Report

Ce qui adviendrait si l'on voulait tenter de nouveau le passage du Rubicon.
[What would happen if one desired to attempt a new crossing of the Rubicon.]
from the series **Actualités**, number 255,
published in **Le Charivari**

Date

published November 22, 1851

Primary Maker

Honoré Daumier

Medium

Lithograph on newsprint

Description

Three men are crossing a river while a crowd watches them at a distance from a bridge. The man in front is much shorter than the other two, so all that is visible of him above the water is his plumed hat.

Dimensions

Object size: 9 3/4 × 13 3/4 inches
