Description

Two men stand in front of a door marked "Elysée." One man uses the knocker to knock on the door. He is wearing a white top hat and a pin striped suit and is carrying a cane. He has a large crooked nose and a white beard. His companion is half his height. He has glasses and a mustache and is wearing a black top hat and matching suit. There is a window to the left of the door, where another man, wearing a funny hat, pokes his head out to respond to the knocking.
